

MUNICIPAL AUDITORIUM, KANSAS CITY, MISSOURI

Kansas City's Municipal Auditorium is one of the newest, largest and most modern such structures in the world. In addition to its spectacular Arena seating 14,000 people, it includes a beautiful Music Hall seating 3000, and a Little Theatre seating 600. There are also 8 meeting halls, extensive exhibit space, 20 sizable committee rooms and innumerable smaller rooms - permitting many large meetings and attractions simultaneously without interference. Covers a square block in downtown area, and is all air conditioned. Cost approximately \$5,000,000.00.
